COMPANY PROFILE . . 2026

WHO WE ARE

About Us

MAYA PULP WORKS

Founded in 2011, Maya Pulp Works began its journey as a manufacturer of industrial packaging and paper-based products in Turkey. Through continuous investment and innovation, the company has become one of Turkey's leading producers of sustainable disposable medical products.

Today, Maya Pulp Works operates a modern production facility in Karaman, Turkey. Our products — made from recycled paper pulp — serve international markets through quality, flexibility, and competitive pricing.

OUR VISION

Our Vision

01 To lead the industry by continuously adapting to change while ensuring consistent product quality and efficiency.

02 To drive sustainable growth through production excellence, uncompromising quality, and bold leadership.

03 To remain a future-focused industry leader through quality, efficiency, and continuous improvement.

OUR MISSION

Our Mission

- To collaborate closely with our suppliers and customers.
- To build strong relationships based on mutual trust.
- To ensure continuity and reliability in all our operations.
- To consistently meet required standards and quality expectations.
- To deliver the right products, at the right place, at the right time.

MEDICAL SECTOR

Medical Products

At Maya Pulp Works, we offer environmentally responsible disposable medical products where innovation meets sustainability.

Single-use · Biodegradable
PAS 29 compliant

Bedpan Liner

2,000 ml · 55 g (±5 g)
Eliminate pan washing
Fully compostable

Kidney Bowl

700 ml · 22 g (±3 g)
Non-sterile area use
Single-use

HORECA SECTOR

HoReCa Products

Maya Pulp Works supports the HoReCa sector with sustainable 2-cup and 4-cup carriers — combining functionality, quality, and environmental responsibility to reduce carbon footprint without sacrificing service quality.

- ✓ 100% recycled paper — zero plastic
- ✓ Fits 8–24 oz cups (hot & cold)
- ✓ Fully compostable in 90 days
- ✓ Custom logo embossing available
- ✓ Stackable for easy storage

4-Cup Carrier

2-Cup Carrier

215 × 215 × 48 mm · 45g

215 × 110 × 48 mm · 25g

INDUSTRIAL SECTOR

Industrial Products

In addition to our medical and HoReCa ranges, Maya Pulp Works is expanding into industrial packaging for special projects — combining quality, efficiency and environmental responsibility.

Venus Project

Custom two-piece packaging molded to exact product dimensions

VC2406 Project

Precision industrial insert for complex component protection

Biodegradable Pots

Plant directly into soil — fully compostable, no removal needed

GLOBAL RESPONSIBILITY

Sustainability

Practical steps, measurable outcomes. Every product we make starts as waste and ends as something useful — and compostable.

100%

Recycled Input

All products from recovered waste paper. Zero virgin fiber.

0%

Plastic Used

No plastics or microplastics. Every item decomposes naturally.

60%+

Solar Energy

Rooftop solar panels power over 60% of production.

15+

Export Markets

Serving EU and UK clients with eco-friendly molded pulp.

GLOBAL REACH

Our Markets

Based in Karaman, Turkey — exporting eco-friendly pulp products to clients across Europe and beyond.
